city flooded with mosquitoes in full swing, I was reading Kishore Mahbubani's latest *The New Asian Age*. At first, this book was written for foreign readers. However, by the time I read about about 80 percent of the book, I was feeling quite depressed about Singapore's future. I would like to share the book with you, and at the same time, I would like to share my despair with you. 'Scholar' and 'Economist' are alternative terms used to describe the same job. From the mid 19th century till the mid 20th century, for most of Asia, a career in academics was a path to higher status, greater wealth and acceptance in society. Even today, in many countries, it continues to be the path of choice for many aspiring professionals. Anil Gupta is one such lawyer who rose from the academic to the legal profession by joining the Faculty of Law, University of Delhi in 1965. He was the Dean of the Faculty of Law, University of Delhi for a brief period. He was also a Chairperson of the National Commission for Protection of Child Rights, a senior member of the Asian Legal Resource Centre (ALRC), the representative of the International Association of Constitutional Law (IACL), an expert on the law of international human rights, and a member of the Asian Centre for Human Rights and Democratic Development (ACHDED). I was traveling from the remote northern region of Terengganu to Kuala Lumpur by bus for my reunion with my family. The bus was a small one with a capacity of about 20 passengers, and it was full to the brim with Terengganu people going back to their home towns. I was sitting in the last row of the bus, 82157476af
